Interested? Ring or call into your nearest centre, or visit www.bookwhen.com/adultmathsenglish to book an informal assessment so that we can check if an 'Improve Your English/Maths' course is right for you.

For ESOL courses for speakers of other languages, please telephone 01204 482 460. The 'Improve Your English' classes are not ESOL courses.

Ready to Study for a Higher Qualification?

If you are ready to study for a qualification, book onto one of our **FREE** 'Welcome to English' and/or 'Welcome to Maths' sessions. You will sit an initial assessment to help us match the right course to your ability. Start dates and times of your course will be confirmed when you attend the session.

To reserve your place, please visit www.bookwhen.com/adultmathsenglish

Courses are available from Entry Level to GCSE. Improving your English and maths skills will help you to get a job, progress to further education, support your children and give you the skills to confidently use English and maths in everyday life.
