Advertising & Media Executive Apprenticeship Level 3

THE BEST YOUNG BUSINESS PROFESSIONALS! GET INTO CAREER MODE

The Benefits of an Apprenticeship

Apprenticeships offer great opportunities for people of all ages; an Apprenticeship is a job with training to industry standards, enabling you to enter a recognised occupation. All Apprenticeships are employer led, and as well as providing long term earnings, they also give you the ability to progress.

- You'll earn a wage as you're learning and are entitled to paid holidays
- You can earn 10% more after studying on a Level 3 Apprenticeship than if you went straight in to work
- 90% of apprentices remain in employment, either with their current employer or another company
- 85% of employers participate in Apprenticeship programmes and consider them a good thing
- You can train to post graduate level without incurring any university fees
- By passing an independent End Point Assessment, you'll join thousands of people acquiring a modern and recognised qualification.

Apprenticeship Overview

Our Apprenticeship programmes will give you vital hands-on experience, learning from real life situations, with the guidance of industry professionals. You'll gain the skills and confidence needed to excel in your chosen career.

If you're creative, have an eye for detail and love communications then an Advertising and Media Executive Apprenticeship could be for you.

The Advertising and Media Industry is worth £20 billion to the overall UK economy and growing. The broad purpose of the occupation is to help the day to day progress of the whole advertising process, from receiving the brief from the marketing team through to the measurement of how effective the advertisement has been. This role is relevant in every industry!

The course is a great way to build on your skills and gain a recognised qualification whilst also earning a salary.

What You'll Learn

- Working Effectively in a Team
- Monitoring Campaign Costs and Budget Plans
- Developing and Managing Communication Plans
- Legal, Ethical and Regulatory issues
- Maintaining Information Systems
- Working with 3rd Parties
- Market Research

If necessary, you will also complete Functional Skills Maths and English at Level 2.

Most of your qualification will be gained in the workplace, although you will attend sessions in College that will cover essential areas of your training.

During your Apprenticeship, you will be taught and supported by experienced accounting tutors. You will also have your own Work Based Tutor who will provide support and guidance during your time in the workplace.

Entry Requirements

You will need a Level 2 and/or a thorough knowledge of your chosen sector.

To complete an Apprenticeship you will need an employer who is willing to support you throughout your training. If you have not found one, we can help you with your search.

We'd like to see a proven track record of very good attendance at work/school, along with a good reference from school/a previous employer. We also ask that you have a satisfactory level of English and Maths.

How will I be Assessed?

You'll be assessed throughout your learning programme by a mixture of formal tests, workplace observations, portfolio building and self-assessment. You will then attend a final End Point Assessment meeting to discuss your apprenticeship, showcase a project and have a professional discussion.

Supporting Your Learning and Wellbeing

We have a range of dedicated support and wellbeing services including **FREE** travel, financial support, and impartial advice and guidance. Throughout your Apprenticeship, you'll also receive one-to-one support from your dedicated Work Based Tutor, helping you to achieve your ambitions.

Future Opportunities

Alongside your studies, you'll have a unique opportunity to be part of the University of Bolton's EXCEED programme.

This will give you a range of additional skills and experiences, and includes masterclasses; university visits; access to industry experts; and mentoring and support with your university application, perfect for that next step into Higher Education.

On successful completion of this Apprenticeship, you could progress onto full-time employment, professional job-specific qualifications, Higher Apprenticeships or a degree programme.

Following further study you could work as:

- A Media Executive, earning around £22,000 per year.
- An Advertising Manager, with your salary ranging from £28,000 to £47,000
