THE NEXT LEVEL QUALIFICATION

T Level Programme Overview

As an experienced data technician, you can expect to earn up to nearly £30,000 per year; it's an occupation found in all sectors where data is generated or processed, and because this T Level specialises in this role and ones like it, it means that once qualified, you'll have your pick of industries to work in.

Equivalent to three A Levels, this two-year programme has also been developed in collaboration with employers and businesses, so you can rest assured that the content is relevant and up to date.

You'll spend 20% of your time on an Industry Placement, giving you vital experience in the world of work and a CV to wow future employers. Your employer may also provide you with that invaluable first reference, whilst a number of our students have also been offered full-time contracts following successful Industry Placements.

What You'll Learn

Topics covered include:

- Digital Tools for Project Management
- Planning Digital Projects
- Using Data in Software Design

You will also develop the specialist knowledge and skills of a data technician, including: sourcing; organising and formatting data for analysis; blending data from multiple sources; analysing data to support business outcomes; interpreting data and communicating the results; and discovering and evaluation in applying sources of knowledge.

Elements of study

Your programme consists of the following elements:

- Study of your chosen vocational subject - 80% of your programme
- Employability skills such as punctuality, attendance, communication and team work but most especially the values and expectations of your chosen occupational sector
- Industry Placement, giving you a taste of working life – 20% of your programme
- Tutorial and personal development such as healthy living, volunteering and citizenship skills
Industry Placement

An Industry Placement is at the heart of your T Level; you'll experience an extended sector-specific Industry Placement for 20% of your programme.

You'll be supported throughout by your own dedicated Workplace Coordinator, which means that on completion of your course, you'll be work ready, with the qualifications and experience to progress to either your dream career or university!

Pre-Professionals Programme

As part of our Pre-Professionals Programme, you'll have your own personal Learning Development Mentor, supporting you throughout your time at College. You'll also have access to a Careers Coach and Workplace Coordinator - they'll help you to manage your studies; oversee your progress; aid in your personal development; and enrich your learning, giving you exposure to not only employers, but leading companies in your sector.

You'll benefit from masterclasses, industry visits and project-based learning, and you'll also receive support with CV writing, personal statements, mock interviews and more, so that when it comes to the crunch, you have the skills and confidence to impress.

Supporting Your Learning and Wellbeing

We have a range of dedicated support and wellbeing services including **FREE** travel; **FREE** breakfast; dedicated Learning Development Mentors (LDMs); impartial advice and guidance; dedicated one-to-one support for learners with additional needs; and support with the cost of College, plus much more.

Entry Requirements

A minimum of five GCSEs at grade 4 or above, including English and Maths.

How will I be Assessed

You'll be assessed via a mixture of assignments, employer-set projects and exam(s).

Future Opportunities

The sole purpose of a T Level is to prepare you for employment and a dynamic career. Due to the broad range of topics covered on the Digital Business Services T Level, you'll be equipped for a career in a variety of settings.

You could work as a:

- Data Analyst-Statistician, earning up to £70,000 per year
- Market Research Data Analyst, earning up to £60,000 per year
- Data Technician, earning up to £30,000 per year

As the T Level is equivalent to three A Levels, you could even decide to progress to university or a paid Apprenticeship, if you choose.

Enrichment

Sitting a job interview, writing a personal statement, applying for university - taking part in our enrichment programme will give you a CV to wow in all of these situations! You'll benefit from:

- Inspiring trips and experiences
- Meetings with industry experts
- Visits to leading companies in your sector.

As well as giving you essential professional and technical skills, you'll demonstrate that you're a successful and well-rounded person, helping you to make a lasting impression.

We want you to have fun, so we also have plenty of leisure and sporting activities for you to enjoy, improving your health and wellbeing.
